

Menu SPA for kids

Little Tatra Climber - 25 min | 160 pln

A gentle massage of the back, neck, shoulders and head that helps release tension, improves overall well-being and supports concentration. Performed with care and tailored to the needs of a young person, using certified cosmetics — fragrance-free or with subtle fruity notes.

Perfect after an active day
or during periods of intense study.

Enchanted Tatras - 30 min | 250 pln

A multisensory journey through a magical world of sound.

A relaxing massage on a warm waterbed, combined with soothing music therapy and a gentle brush massage of the back, shoulders, and neck.

This unique experience stimulates the imagination, calms the senses and brings deep relaxation.

Ideal for little dreamers in need of a peaceful
and magical moment of regeneration.

Tatra Adventure DUO - 30 min | 350 pln

A family relaxation massage for parent and child, performed simultaneously in the same treatment room. Surrounded by the atmosphere of the Tatra Mountains, it's a shared journey into calm and quiet.

A special moment of closeness that strengthens
the bond and creates beautiful memories.
